

INT. BREAKOUT ROOM AFTERNOON

EL is a girl who studies at a high school and she is really scared about the rumor that is going around her school. She is hiding in breakout room in school to protect herself.

SOPHIA is a lost high schooler trying to find her class when she see's her best friend hiding.

EL was hiding in a breakout room when SOPHIA calmly entered.

SOPHIA

Why are you hiding in here?

EL

Do you not know what the rumor is?

SOPHIA

What?

EL

(in panic) People are loosing their mind when the sun rays touch them.

SOPHIA

What?

EL

(repeats) There is a rumor that if the sun rays touch you, you can loose your mind!!

SOPHIA

Seriously, that is so stupid. How can you believe such a thing?

EL

I saw it on Insta and people were sending pictures of people losing their mind and looking really creepy.

SOPHIA

Come on El it is Halloween season how could you believe social media?

EL

I am not lying, this is not a joke. Even the rest of our friend group is hiding. VIOLET just called me.

SOPHIA

I can't believe how ridiculous you guys are being. How can you believe an Instagram post????

EL

Well, Sophia if you don't want to believe me don't but I am staying here and you are not going to tell anyone.

SOPHIA

Fine but I am going.

Sophia was about to get up when her phone started ringing.

EL

Your phone is ringing.

Sophia picks up her phone and sees that her friend, KELLY is calling her. Her friend is panicking over the phone and is telling her that the teacher in her class has turned into a creepy monster and has totally lost her mind. Sophia starts to panic as well and plans to hide with El.

EL

What happened?

SOPHIA

Kelly just told me that the teacher in her classroom has lost her mind and looks really creepy.

EL

What? Seriously, look I told you.

SOPHIA

Yeah, I know and now I am scared as well.

EL

Let's just stay in here until there is any more news.

SOPHIA

Ok

They both sit there quietly until they notice the sun turning their way.

EL

Oh My Goodness. The sun is coming

towards us.

SOPHIA

Oh no where should we hide now?

EL

Let's just stay here because if we go outside there is a bigger chance we will get the sun rays on us.

SOPHIA

Good idea. Maybe we should put our backpacks on top of us.

EL

Yeah.

They both put their backpacks in front of them. After about 30 seconds El bursts into laughter and Sophia is so confused.

SOPHIA

What happened?

EL

Nothing.

SOPHIA

El what happened tell me the truth.

EL

(continues laughing) We were all just joking I can't believe you believed us!

SOPHIA

What!! (angry) Seriously, I can't believe you guys lied to me. I don't want to talk to you guys.

Sophia gets up and picks her backpack when the sun rays hit her whole body and she turns into a creepy monster.

SOPHIA

Hi, Who are you?

EL

Ahhhh! Are you ok what happened to you Sophia.

SOPHIA

I am here to kill you! Hahahaha!

EL

Oh no! Help! Help! Someone save me!

Sophia comes closer to El and the scene is finished.
